

EXT120

Portable Briefcase Ozonation System

EXT120 Portable Briefcase Ozonation System

The EXT120 is an extremely high quality precision ozonation system engineered in our ETL approved factory to be portable and easy to use for any ozone protocol requiring contaminant free ozone. Professional manufacturing ensures outstanding quality and lifetime warranty.

FEATURES

- * 50 Ozone concentration choices 1ug/ml - 120ug/ml
- * Double Walled Glass Ozone Tube = No Metal Contaminants or Nitric Oxides, just pure, clean, concentrated ozone
- * Precise ozone output
- * Professional engineering and production
- * ETL Approved: Proven quality and safety
- * Lifetime warranty on ozone tube
- * 5 year parts and labor warranty on all other components

Inspected, Tested and Granted ETL Approval

COMPLETE SYSTEM INCLUDES:

(Customized systems also available)

- ✓ EXT120 Ozone Generator
- ✓ Briefcase - Impact and water resistant
- ✓ 2 small 50ml glass bubblers
- ✓ 1 Large 500ml Glass Flask for ozonating water
- ✓ Catalytic ozone destruct unit
- ✓ Complete tubing accessories package
- ✓ 240 Liter oxygen tank
- ✓ Pediatric oxygen regulator
- ✓ Complete manual for assembly and use
