

EXT120-T

Wall Mount or Table Top Ozonation System

EXT120-T Wall Mount or Table Top Ozonation System

The EXT120-T is an extremely high quality precision ozonation system engineered in our ETL approved factory to produce ultra pure ozone. Handy table top or wall mountable display ensures easy access to all accessories, plus built in timer. Professional manufacturing ensures outstanding quality and lifetime warranty.

FEATURES

- * 50 Ozone concentration choices 1ug/ml - 120ug/ml
- * Double Walled Glass Ozone Tube = No Metal Contaminants or Nitric Oxides, just pure, clean, concentrated ozone
- * Precise ozone output
- * Professional engineering and production
- * ETL Approved: Proven quality and safety
- * Lifetime warranty on ozone tube
- * 5 year parts and labor warranty on all other components

The EXT120-T's Range of Ozone Concentrations

O2 FLOW		OZONE CONCENTRATION SETTING ON GENERATOR									
LPM	cc/min	1	2	3	4	5	6	7	8	9	10
1/32	31	38	65	76	80	83	91	94	98	105	120
1/16	62	20	42	55	69	82	86	92	96	98	100
1/8	125	12	26	36	48	61	72	84	88	92	96
1/4	250	6	14	20	28	39	49	59	64	70	78
1/2	500	3	7	11	15	22	27	36	40	44	50

COMPLETE SYSTEM INCLUDES:

(Customized systems also available)

- ✓ EXT120-T Ozone Generator with timer
- ✓ Plexiglass Frame - wall mount or table top
- ✓ 2 small 50ml glass bubblers
- ✓ 1 large 500ml glass flask for ozonating water
- ✓ Catalytic ozone destruct unit
- ✓ Complete tubing accessories package
- ✓ 640 Liter oxygen tank
- ✓ Pediatric oxygen regulator

SPECIFICATIONS:

Ozone Generator Size:
355mm x 178mm x 104mm
14" H x 7" W x 4 D"

Ozone Generator Weight:
3.75 kgs (8 lbs)

Power Requirements:
120, 220, 240 VAC 50-60Hz or 12V DC; 0.2A;
24W

Inspected, Tested and Granted
ETL Approval
